Donna/Carol,

Please see below. OPM needs a clearer copy of Mr. Rupert's eQIP signature pages. If they don't get them by next Monday (holiday), his case will be rejected. Can you assist please? I've already left Mr. Rupert a voicemail, but want to enlist your assistance to be sure this gets done. Thanks,

JP

We still need clear copies of the signature documents. The copies that were sent are still blurry. We will need them by the cob 1/16/12. Thank you
